CREATING SUCCESS STORIES

# Success Groups

At Western, we aim to develop kind, ambitious, curious, confident and successful young people who are excited about their futures.

# Our Success Groups

At Western we have seven SUCCESS teams. These teams were established so members of staff could work collaboratively and focus and develop different key areas of our school. These groups are:

- Core Curriculum~ English, Maths and Science
- Humanities~ History, Geography and R.E
- Design and the Arts~ Art, DT, Drama, Music
- Digital Technology~ ICT, I-Pads, website, computing, e-safety
- Equal Opportunities~ SEND, Safeguarding, PSHCE, Inclusion, Behaviour
- Health Matters~ P.E, Health, Mental Health, Food, Healthy Schools
- Values~ School Values, SMSC, British Values, Charities, Wider Curriculum, Community, Transition, Characteristics of an Effective Learner.

Each SUCCESS group has key leaders who are responsible for leading and developing specific curriculum subjects and areas of our school. These teams are also supported by our SUCCESS group children who support leaders to monitor evaluate and offer their voice school development. We are also supported by our school governing body as part of our SUCCESS work.
