

RECEPTION OUR LEARNING AUTUMN 2 WEEK TWO

We have continued to work through our phonics; continuing with our phase 3 phonemes. Please continue to work on phoneme recognition at home, as well as the tricky words.

The children dug up the potatoes, we have then used these to create leek and potato soup. The children helped to peel and cut the potatoes, as well as cut the leeks and onions. We have then smelt, looked and tasted the soup, discussing what we like and dislike about it.

On the creative table we have been creating double layered monoprints, using yellow and blue.
