

TURQUOISE ROOM OUR LEARNING THIS WEEK! 19.7.24

This week in the Turquoise Room we have enjoyed the last week of our nursery year.

We started the week with the Teddy Bears Picnic and we joined together with our pre-school children and spent some time with our new teachers.

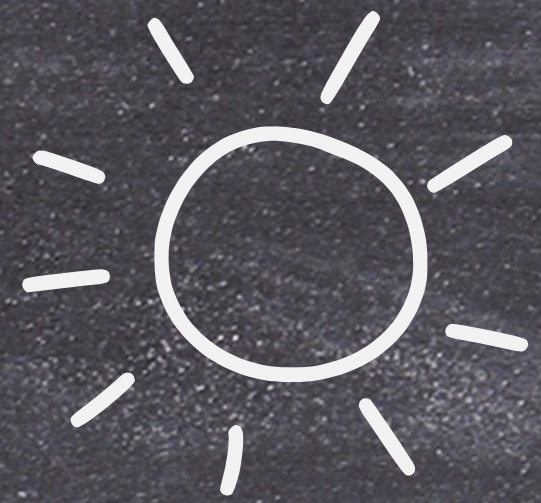

We dressed up as pirates for our Pirate Day and enjoyed having a go at walking the plank through the shark infested waters! This was tremendous fun!

We have spent a lot of time in the Reception children's playground and have enjoyed playing with their toys. We have particularly enjoyed the water run.

It has been an absolute pleasure to have been with the children this year. At the end of a busy year we wish them all the best in pre-school. We would also like to wish everybody a lovely summer break.
