

## YEAR TWO~ OUR LEARNING WEEK AUTUMN TERM 2 WEEK ONE

On Wednesday, we enjoyed a lovely visit to Trinity church. The children were fantastic walking to the church and had fun kicking through the leaves. We were welcomed by Reverend Ben Clowes, who allowed the children to explore the church before answering their questions. The children took part in a drawing activity and were creative with clay. The children also enjoyed a drink and biscuit before heading back to school. We were very impressed with how respectful the children were and this was commented on by Reverend Ben too.

In P-E, we have started gymnastics. The children learnt how to put out the mats safely in groups and different ways to travel along them. Mr Atkinson showed us how to extend our arms and legs when travelling. The children listened carefully to instructions and were very creative in the different ways they travelled.
