

YEAR TWO~ OUR LEARNING THIS WEEK!

19.7.24

What a fantastic week we've had celebrating the end of year 2! The children have been busy writing letters to their new teachers, enjoying their KS1 treat, reflecting on their progress this year, and watching the incredible leavers assembly.

It's been an absolutely amazing year in year 2. The children have put in so much effort and have made incredible progress. We are confident that they are well-prepared to transition into Y3/4 and will impress their new teachers just as they have impressed us.

A big thank you to the children for making this year so special. We hope everyone has a safe and joyful summer holiday.
