Week 1

Welcome back!

First week done!

It has been a wonderful week at Western seeing all the pupil's return after the summer holidays. The children have settled quickly back into school routines, and it has been a pleasure so see them all reconnecting and enjoying each other's company at breaktimes. Today, I have had the pleasure of seeing the children in assembly. They all speak so highly of the school and it is clear that I have joined an amazing community where everyone lives the school values of kindness, honesty and respect.

Although the children returned on Wednesday, the staff team were in school at the beginning of the week. During these two days, the staff have been updating their safeguarding training and participating in a training programme led by the company "Positive Regard". This session was all around sharing values, building strong relationships and understanding the reasons behind different behaviour. I know the team thoroughly enjoyed it and we are looking forward to second half of this training next Wednesday evening. A huge thanks to Mr Fraser-Smith for organising this!

I am really looking forward to the year ahead and hope everyone has a relaxing weekend,

Kind regards,

Jo Slack
Headteacher
