25.10.24- School Closes at 3.15 p.m. HALF-TERM

Autumn Term 1

All About Me and the People and Places I know

Welcome to the Green Room!

We would like to offer a warm hello to all the new and returning parents and children.

The first half term in Green room is about settling into school life and establishing routine and boundaries. Our focus as a staff is really getting to know your child as an individual.

We will be finding out the children's interests and adding it into our learning.

This half term we will be talking about our families, pets and our homes too, we will have a look at what makes each and everyone of us unique and different in positive ways.

We will also be learning all about the different seasons throughout the year, starting with the first signs of Autumn, we will walk through the Valley gardens and look for any changes to the environment around us whilst dressed in our spooky outfits, which will lead us onto our topic of spooky and all things Halloween to finish this half term.

We will record and share the children's learning on tapestry, please feel free to share any pictures from home, the children love to tell us about them.

If you have any questions, please do not hesitate to contact us.

p.m. **Polite reminder there is no
After School Care on this day.
Breakfast Club will run as
usual.**

Autumn Term 2 Space, Dinosaurs and Christmas

Our Learning

This half term we will be focusing on learning lots of songs and action rhymes and our PSED skills of waiting and sharing.

We begin this half term by looking at events such as Bonfire Night, Remembrance Day and also Diwali, we will look at these topics to inspire some creative learning.

We will be exploring space and looking at the wonderful story 'whatever next', we will use our imaginations and visit the moon, and have a picnic just like the bear from the story.

We will also learn some interesting facts about dinosaurs, much to the children's delight. However, we will also be led by the children's interests so please see Tapestry for any new areas of learning.

Towards the end of term, we will be bringing the Christmas cheer to Green Room, we will be singing some Christmas songs and dressing up for a little performance on Tapestry which we will record and share with you all.

If you have any questions, please do not hesitate to contact us.
