Our Curriculum Drivers

This term, our exciting topic in KS1 is all about 'Ourselves'. We'll be focusing on themes of identity and uniqueness, with Year 1 asking the question, "Who am I?" and Year 2 delving deeper into "What makes me unique?" To kick off this topic, both year groups enjoyed engaging launch events. Year 1 pupils filled bags with personal items they felt best represented them whilst Year 2 invited their parents and loved ones into the classroom to share family photos. These activities have sparked some wonderful discussions, helping the children reflect on their sense of self. In addition to our topic work, our maths curriculum will focus on building key skills. In Year 1, pupils will be exploring place value, geometry and learning about addition, subtraction, length and height. Year 2 will also dive into place value, alongside developing their addition and subtraction skills, as well as learning about shapes. In English, Year 1 will work on forming simple sentences, whilst Year 2 will be creating descriptive poetry using expanded noun phrases. We are also looking forward to a trip to the local church, where we'll explore what it means to belong to a faith community. In history and geography, we will focus on developing the children's locational knowledge and understanding of our local community. Finally, we'll end the term with a festive trip to Harrogate Theatre for the annual Christmas pantomime—always a highlight!

You can find lots more detail about our learning on the school website, where we have shared our Long-Term Plan for the year, along with our Medium-Term Plans for Autumn 1 and Autumn 2.

REMEMBER!

Please encourage your child to ensure their iPad is fully charged each day.

Distinguished School

Recognised by Apple as a distinguished school for continuous innovation in learning, teaching, and the school environment.

COSTS

Pantomime – £12.80

This is a voluntary contribution and your child will be treated no differently in the event a payment is unable to be made.

Information on this trip to follow in due course.

HOME LEARNING

You'll find guidance on our website regarding things you can do at home to support your child's learning.

If you need a reset of your Parent Access Showbie Code, please contact your child's class teacher.

P.E.

Y1 – Wednesday afternoon.

Y2 – Tuesday morning (Sporting Influence Coaching).

Your child should come to school wearing their P.E. kits on these days.

SWIMMING

Y2 ONLY

Additional information regarding swimming will be sent out half way through the Autumn term.

Please refer to the letter sent in July regarding session dates for your child's class.
