

Friday 14<sup>th</sup> February 2025

Dear Parents & Carers of pupils in Year 1,

Now that your child has been using their iPad in school for over a term, we would look to invite you into school on Monday 10<sup>th</sup> March at 3:40 to share our vision for iPads with you and ask for your feedback in making this process even better for parents in Year One next year.

The session will start with a presentation about iPads and how they are used throughout the school so you can see the digital path that your child will take as they journey through Western. The Year One teachers will then share specifically how iPads are used in class on a daily basis. The session will finish some top tips from Western parents who have been using the iPads with their children throughout the years.

The session will end with an opportunity for you to ask questions. If you want to send in any question ahead of the session, please don't hesitate to email me on the address below.

Thank you for your ongoing support,

Clare Howes

Digital Lead
